### January 2017 Term Professorships

- Dr. Josephine Allen, Department of Materials Science and Engineering
- Dr. Jennifer Andrew, Department of Materials Science and Engineering
- Dr. Thomas Angelini, Department of Mechanical and Aerospace Engineering
- Dr. Mike Annable, Department of Environment Engineering Sciences, Engineering School of Sustainable Infrastructure and Environment
- Dr. Oana Cazacu, Department of Mechanical and Aerospace Engineering
- Dr. Shigang Chen, Department of Computer & Information Science & Engineering
- Dr. Jon Dobson, J. Crayton Pruitt Family Department of Biomedical Engineering
- Dr. Hugh Fan, Department of Mechanical and Aerospace Engineering
- Dr. Yuguang Fang, Department of Electrical and Computer Engineering
- Dr. Yongpei Guan, Department of Industrial and Systems Engineering
- Dr. Aysegul Gunduz, J. Crayton Pruitt Family Department of Biomedical Engineering
- Dr. Peng Jiang, Department of Chemical Engineering
- Dr. David Kaplan, Department of Environmental Engineering Sciences, Engineering School of Sustainable Infrastructure and Environment
- Dr. Ben Keselowsky, J. Crayton Pruitt Family Department of Biomedical Engineering
- Dr. Nam-Ho Kim, Department of Mechanical and Aerospace Engineering
- Dr. Tanmay Lele, Department of Chemical Engineering
- Dr. Jian Li, Department of Electrical and Computer Engineering
- Dr. Tao Li, Department of Electrical and Computer Engineering
- Dr. Ben Lok, Department of Computer & Information Science & Engineering
- Dr. Prabhat Mishra, Department of Computer & Information Science & Engineering
- Dr. Toshikazu Nishida, Department of Electrical and Computer Engineering
- Dr. Jorg Peters, Department of Computer & Information Science & Engineering
- Dr. Simon Phillpot, Department of Materials Science and Engineering
- Dr. Sanjay Ranka, Department of Computer & Information Science & Engineering
- Dr. Alex Sheremet, Department of Civil & Coastal Engineering, Engineering School of Sustainable Infrastructure and Environment
- Dr. Martin Uman, Department of Electrical and Computer Engineering
- Dr. Arnoldo Valle-Levinson, Department of Civil & Coastal Engineering, Engineering School of Sustainable Infrastructure and Environment
- Dr. Baba Vemuri, Department of Computer & Information Science & Engineering
- Dr. Dapeng Wu, Department of Electrical and Computer Engineering
- Dr. Yong Yang, Department of Materials Science and Engineering
- Dr. Kirk Ziegler, Department of Chemical Engineering
